CREATE YOUR PARADISE WITH FOLIAGE

Valued customer,

With great passion and enthusiasm, we herewith present you our brand-new catalogue with the theme **Foliage Paradise**.

In close collaboration with the plant hunters behind the **Eden Collection brand**, we've put together an unique assortment green foliage indoor plants. Part of the varieties are sourced from all ends of the world, while other plants are developed through years of breeding and careful selection and testing.

We as Cacti Youngplants are proud and honored to be the exclusive distribution partner for these amazing new varieties in the North American market! With our in-depth knowledge and years of horticulture industry experience, we are the ones to help you growing your business by providing a wide product portfolio including many unique item backed by committed production farms that deliver unrooted cuttings at the highest standards. Let us work together with you in the coming years so we can grow together.
